WHAT IS A CHECKING ACCOUNT?

A checking account is a type of bank account that allows you to deposit and withdraw money easily. It is typically used for everyday transactions like paying bills, getting cash, and making purchases. You can usually access your money through a debit card or by writing checks.

WHAT IS A LONG-TERM SAVINGS ACCOUNT?

A long-term savings account is designed to help you save money for future goals. It typically offers a higher interest rate than a checking account, but it may have restrictions on withdrawals. This type of account is ideal for saving for major expenses like a house or college.

HOW DOES INTEREST ACCRUE ON MY LT SAVINGS ACCOUNT?

Interest on a long-term savings account accrues over time, meaning it builds up as you keep your money in the account. The interest is calculated based on the balance in the account and the interest rate offered. This allows your savings to grow even if you don't make any deposits or withdrawals.

WELCOME TO KINDERKASH!

Kindergarten is a special time in your child's life. It's a time when they learn to read, write, and think. At KinderKash, we provide a safe and supportive environment for your child to learn and grow. Our teachers are experienced and trained to help your child reach their full potential. We use a variety of activities and games to make learning fun and engaging. Your child will learn to work with others, follow directions, and take responsibility for their actions. We encourage parents to get involved in their child's education and to provide a positive home environment. Together, we can help your child succeed in kindergarten and beyond.
